Ch Ch Changes....

so many things transpiring here at Scarlet Fiorella and we are SO excited! Our new fixturing is coming in and we are transforming the store little by little! All good changes though! We are expanding our Womens Apparel after a very successful Spring/Summer Season! Do you have any great photos of you in our dresses? Send them over or become a fan on Facebook! We would love to post your photos!

Our Childrens Apparel is on it's way in for Fall. Check out our Monster Republic 2011 Fall, quite possibly the best boys line out there! My personal favorite!

ttyl, Michele!
